

## JAG GYM 2009-2010 Schedule

**JAG's Above the Barre Dance** offers what no other dancing school in the area can offer . . . a combination of a first rate dance class backed up by a state of the art gymnastics school. The combination of our newly remodeled dance rooms dance rooms as well as sprung floors, trampolines, tumble tracks and bungee systems give dancers access to a wide array of tools to improve their dance and conditioning. In addition, every dancer gets individual attention and training with experienced instructors. Finally, many of our dance classes are either immediately before or after a gymnastics class allowing busy families with kids who "want to do it all" a way to save that which is most precious to all of us—TIME! We all know that dance creates self-confidence and provides great exercise, and JAG's amazing environment allows dancers to learn the art of dance in a first rate facility while having tons of fun. Above the Barre at JAG GYM is the place to come whether your child is two or eighteen, experienced or not, we will keep your child dancing and learning!
